

# 2.1. Overview "Booking calendar" for planners

This is the view of the booking calendar for the planner.

## DAILY VIEW

As a planner, you can see all **booked**, **requested**, **approved** and **unavailable** drives as well as all important information about the testers and the drive.

## QUARTERLY VIEW

The column for each day is wider here than in the "Daily view". It is possible to book a test object for a day in a quarter-hourly cycle.

The screenshot displays the 'Buchungskalender' (Booking Calendar) application. The left sidebar contains navigation links: Startseite, Buchungskalender (active), Buchungsliste, Buchungsplanung, and Administration. The main header shows 'Customer Demo' and user information 'Eingelogggt als: Evan Wood'. Below the header, the calendar title 'Buchungskalender' is followed by navigation controls and buttons for 'Heute', '+ Buchung', and a refresh icon.

A legend at the top defines status colors: Angefragt (grey), Gebucht (green), Genehmigt (purple), Teilweise genehmigt (yellow), and Nicht verfügbar (pink). It also lists locations: Berlin (light green), Ingolstadt (light blue), and Munich (light grey).
