

# 2.1. Overview "Booking calendar" for planners

This is the view of the booking calendar for the planner.

## DAILY VIEW

As a planner, you can see all **booked**, **requested**, **approved** and **unavailable** drives as well as all important information about the testers and the drive.

## QUARTERLY VIEW

The column for each day is wider here than in the "Daily view". It is possible to book a test object for a day in a quarter-hourly cycle.
