

# 3.2. Different statuses of bookings and tests

Bookings in the booking calendar go through a workflow until a tester can select a drive for evaluation in their IVA iOS app or in the web tester.

This overview is intended to illustrate the workflow and show the status of the associated IVA tests:

Status of the booking	Description	Status IVA Test	Other possible statuses in IVA
Not Available	Blocking booking, no test is generated in IVA	N/A	
Requested	No test has been created in IVA yet	N/A	
Partially approved	No test has been created in IVA yet	N/A	
Approved	Test in IVA was created	Draft	
Booked	Test already exists in IVA	Published	<ul style="list-style-type: none"><li>• Stopped</li><li>• Meeting break</li><li>• Completed</li><li>• Archived</li></ul>
