Glovebox lighting is weak.					
09-BEV_TD_1	65131 656956	09/21/2023 01:53 pm	Alexander Bourke	Electrics	6

As of recently, in the table under Evaluation > Feedback Validation in the "Categories" column, you can now also see the first 3 subcategories in addition to the respective category name. If there are four or more subcategories, only the last one is displayed.

This has also been changed under the menu item Evaluation > Analysis.
