2.0 Visibility of test object attachments

To provide an overview of the documents attached to a test object, a new “Attachments” column has been assigned to the test object in the following places:

- In the overview of test objects in an evaluation
- In the overview of test objects in a test
- In the edit mode of an evaluation
- In the edit mode of a test
- In the data pool

The column is marked with the number of attachments and the “Attachment” icon.
