

8.0 Overview

- 8.1 General Information

8.1 General Information

To access the overview, click on the “Overview” tab at the bottom of the display.

Here you will find all relevant information about the test object you have currently selected, as well as a description of the current test above the test object image, if applicable.

The screenshot shows a mobile application interface with a dark theme. At the top, the time is 12:30, and there are icons for signal strength, Wi-Fi, and battery. Below the status bar, there is a header with a red circle icon, the text "Drive - IN 6290 / Garner Matthew", and a dropdown arrow. Underneath the header is a large image of a white SUV, with the text "04-SUV_FM_1" below it. To the right of the image is a plus sign. Below the image is a section titled "Attributes" with a "Read more" link. The attributes are listed in a table-like format:

License Plate	IN 6290
Chassis Type	SUV
Max Power (PS)	200
Engine Variant	PHEV
Drivetrain Type	Front-Wheel Drive
Transmission	6-Speed

At the bottom of the screen, there are two tabs: "Overview" (with a house icon) and "Feedback" (with a speech bubble icon). A yellow microphone icon is also visible next to the "6-Speed" transmission value.
