Choose your vehicle

The top screenshot shows the 'IVA Anwendung' overview. A red arrow points to the 'IVA Webanwendung' entry, which has the following details:

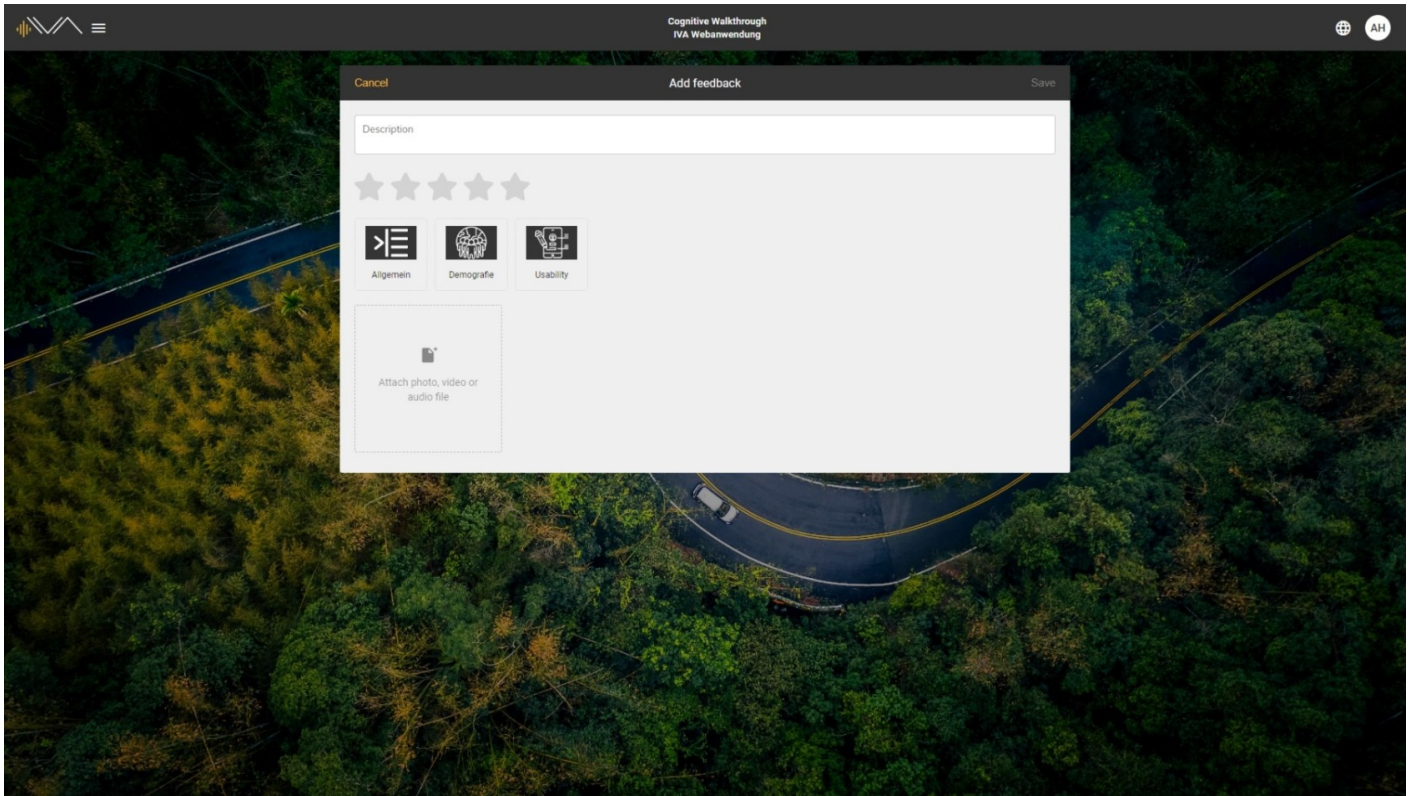

- IVA Webanwendung IVAWEB
- Version Frontend: 4.2.0 - 189
- Version Backend: 4.2.0-174

The bottom screenshot shows the 'Feedback' section for 'IVA Webanwendung'. It displays a table of attributes:

Attributes	
Version Backend	4.2.0-174
Version Frontend	4.2.0 - 189
Betriebssystem	

To select a vehicle, select the appropriate evaluation and test, if applicable. Then select your vehicle. You will see an overview of your vehicle. Click on "Feedback" to edit your complaints or create new feedback.

The screenshot shows a web application interface with a dark header. The header contains a logo on the left, the text "Cognitive Walkthrough IVA Webanwendung" in the center, and a globe icon and a user profile icon labeled "AH" on the right. A modal dialog titled "Add feedback" is open in the center. The dialog has a "Cancel" button on the top left and a "Save" button on the top right. Inside the dialog, there is a text input field labeled "Description". Below the input field is a row of five stars for rating. Under the stars are three category icons: "Allgemein" (a list icon), "Demografie" (a person icon), and "Usability" (a hand with a checkmark icon). At the bottom of the dialog is a dashed box containing a camera icon and the text "Attach photo, video or audio file". The background of the application is an aerial view of a road winding through a dense forest.

In the overview you can see the feedback you have already created. You can edit your feedback by clicking on the entry or add a new one using the "+" button. To do this, give your feedback in the "comment" field, rate the complaint and select a suitable category. Photo, video or audio files can be attached in the lower area. Just click on the tile and select from your computer. You can add a GPS position or a time or choose another reviewer via "+ extras".
