To start a communication, first navigate to the corresponding menu item. Click on "Evaluation" > "Select tests" in the left-hand navigation bar and click on the "Feedback" tile of a test under the corresponding evaluation.

This will take you to the detailed feedback analysis. Click on the "Validate feedback" button in the top right-hand corner to access the list of all feedback for the selected test objects.

To add a comment, click on the three dots in the "Actions" column and then on "Add comment".

The screenshot shows the Teamware Reports interface. The left sidebar contains navigation items: Startpage, Evaluations, Reports, Select Tests (highlighted), Select Test Objects, Excel report templates, Data pool, Templates, Master Data, and Buchungskalender. The main area displays a 'Report' for 'Fleet Management > Drive - IN 6290 / Garner Matthew > Feedback'. It shows a table of feedback entries for '04-SUV_FM_1' (Test Objects key: 212 3435). The first entry is selected, and a context menu is open over it, showing options: Details / edit, Duplicate, Add comment (highlighted), Complete, and Delete. The table columns are Validated, Test Objects name, Test Objects key, Time, Tester, Category, and Rating. The first entry has a rating of 3 and is for 'Transmission'. The second entry has a rating of 6 and is for 'Interior'. The third entry has a rating of 7 and is for 'Interior'. The fourth entry has a rating of 9 and is for 'Exterior'.

<input type="checkbox"/>	04-SUV_FM_1	212 3435	09/07/2023 04:47 pm	Matthew Garner	Exterior	9

Select from the following three options directly above the text field:

1. **Toggle Confidential** – signals to other users that the comment should not be forwarded
2. **Tester can reply to your comment only once**
3. **Forward comment to tester** - means that the comment will be sent to the tester and the iOS app. This option can only be used for completed feedback

Click on the respective checkbox to activate the relevant function for your comment. Then use the input field below the checkboxes to add your comment and proceed by saving it.

Does this happen when shifting?

Matthew Garner - 10/09/2023 10:14 am

It happens sporadically.

Benjamin Higgins - 10/09/2023 10:15 am

Please contact the responsible mechanic and if possible continue to observe how the transmission reacts.
