Reports overview of all evaluations

To navigate to the report overview, click on "Reports" -> "Select test" in the navigation bar on the left. Here you will see a list of all the existing evaluations in this division. You will find the corresponding tests under the name and time period of the respective evaluation. Each evaluation contains at least one test.

Tests are displayed in a gray tile containing the following information:

- Test name
- Test status (LINK to the manual)
- Time period
- Number of test objects
- Results for instructions, feedback and questionnaires
- "Create report" icon
